## General coverage provisions

---

This section provides detailed explanations about the:

- **Deductible**
- **Maximum out-of-pocket limits**

that are listed in the first part of this schedule of benefits.

<b>Deductible provisions</b>
<b>Eligible health services</b> that are subject to the <b>deductible</b> include <b>prescription drug eligible health services</b> provided under the medical plan <b>prescription drug</b> plan.
The <b>deductible</b> may not apply to certain <b>eligible health services</b> . You must pay any applicable <b>copayments/coinsurance</b> for <b>eligible health services</b> to which the <b>deductible</b> does not apply.
<b>Individual</b> This is the amount you owe for <b>eligible health services</b> each Calendar Year before the plan begins to pay for <b>eligible health services</b> . This Calendar Year <b>deductible</b> applies separately to you and each of your covered dependents. After the amount you pay for <b>eligible health services</b> reaches the Calendar Year <b>deductible</b> , this plan will begin to pay for <b>eligible health services</b> for the rest of the Calendar Year. This is true even if the family <b>deductible</b> has not yet been met.
<b>Family</b> This is the amount you and your covered dependents owe for <b>eligible health services</b> each Calendar Year before the plan begins to pay for <b>eligible health services</b> . After the amount you and your covered dependents pay for <b>eligible health services</b> reaches this family Calendar Year <b>deductible</b> , this plan will begin to pay for <b>eligible health services</b> that you and your covered dependents incur for the rest of the Calendar Year.
To satisfy this family <b>deductible</b> limit for the rest of the Calendar Year, the following must happen: <ul style="list-style-type: none"><li>• The combined <b>eligible health services</b> that you and each of your covered dependents incur towards the individual Calendar Year <b>deductibles</b> must reach this family <b>deductible</b> limit in a Calendar Year.</li></ul>
When this occurs in a Calendar Year, the individual Calendar Year <b>deductibles</b> for you and your covered dependents will be considered to be met for the rest of the Calendar Year.

## Deductible credit

If you paid part or all of your **deductible** under prior coverage for the Calendar Year that this certificate went into effect, the **deductible** of this plan for that Calendar Year will be reduced by the amount you paid under your prior coverage.

Upon request, you must submit a detailed explanation of benefits (EOB) showing the dates and amount of the **deductible** met from the prior coverage in order to receive the credit.

## Copayments

### Copayment

As it applies to in-network coverage, this is a specified dollar amount or percentage that must be paid by you at the time you receive **eligible health services** from a **network provider**. As it applies to in-network coverage, if **Aetna** compensates **network providers** on the basis of the reasonable amount, your percentage copayment is based on this amount.

## Coinsurance

The specific percentage you and the plan have to pay for a health care service listed in the schedule of benefits.

## Maximum out-of-pocket limits provisions

**Eligible health services** that are subject to the **maximum out-of-pocket limit** include **prescription drug eligible health services** provided under the medical plan outpatient **prescription drug** plan.

The **maximum out-of-pocket limit** is the maximum amount you are responsible to pay for **coinsurance** and **deductibles** for **eligible health services** during the Calendar Year. This plan has an individual and family **maximum out-of-pocket limit**.

### Individual

Once the amount of the **coinsurance** and **deductibles** you and your covered dependents have paid for **eligible health services** during the Calendar Year meets the individual **maximum out-of-pocket limit**, this plan will pay 100% of the **negotiated charge** for **covered benefits** that apply toward the limit for the rest of the Calendar Year for that person.

### Family

Once the amount of the **coinsurance** and **deductibles** you and your covered dependents have paid for **eligible health services** during the Calendar Year meets this family **maximum out-of-pocket limit**, this plan will pay 100% of the **recognized charge** for such **covered benefits** that apply toward the limit for the remainder of the Calendar Year for all covered family members. In a family plan, an individual is responsible for satisfying only their **maximum out-of-pocket limit** before this plan pays 100% of the **negotiated charge** for such covered benefits for the rest of the Calendar Year. Once two family members have individually satisfied their individual **maximum out-of-pocket limit** in a Calendar Year, the individual **maximum out-of-pocket limit** is considered met for the remaining family members for the rest of the Calendar Year.

- All costs incurred for non-urgent use of an **urgent care provider**
- Certain other **eligible health services** in the schedule of benefits that are not essential health benefits

### **Calculations; determination of benefits provisions**

Benefits will be pro-rated to account for treatment or portions of stays that occur in more than one Calendar Year. Determinations regarding when benefits are covered are subject to the terms and conditions of the certificate.

### **Outpatient prescription drug maximum out-of-pocket limits provisions**

**Eligible health services** that are subject to the **maximum out-of-pocket limit** include **eligible health services** provided under the medical plan and the outpatient **prescription drug** plan.
