ECHS Category - TCRF

Personal and confidential

This form applies to fully insured commercial Traditional (non-HMO) members in California

Here's the form you requested for transition-of-care coverage from the health plan. If we approve your request, the health plan will cover ongoing care at the highest level of benefits from:

- An out-of-network doctor
- A doctor whose network status has changed
- Certain other health care providers who have treated you

Once we review your completed form, we'll send you a letter explaining our decision.

Some things you should know about transition-of-care coverage

You'll find answers to commonly asked questions about transition-of-care coverage on the other side of this form. You should read them before filling out this form.

Transition-of-care coverage does not apply if your provider is in the plan's network (participating) or is part of your plan's highest benefit tier. The online provider search directory is found on the health plan's webpage. It can tell you if your doctor is in the network or help you find a participating provider for your health plan. You can also call us at the phone number on your ID card.

How to complete the form and get it to us

Step 1: Fill out these sections:

1. Section 1 - Group or employer Information.
2. Section 2 - Subscriber and patient information: Plan information is on the front of your ID card.
3. Section 3 - Authorization: Read the authorization, then sign and date the form.

Step 2: Give the form to the doctor/health care provider to complete Section 4.

Step 3: **Fax** the completed form to us for review. You should complete one form for each health care provider.

Fax medical requests to 1-859-455-8650.

Fax mental health/substance abuse requests to 1-888-463-1309.

Be sure to complete all fields on page 4 before you submit this request form.

Your request will be answered faster that way.

Transition of care coverage questions and answers

California Commercial Traditional Fully Insured Products

Q. What is California transition-of-care (TOC) coverage?

A. TOC coverage is temporary. You can get TOC when you become a new member of a medical benefits plan or change your plan, and you are being treated for a medical, mental health or substance use condition by a doctor who is not in the plan's network. TOC coverage can also apply when your doctor leaves the plan's network or changes network status. Approved TOC coverage allows a member who is receiving treatment to continue the treatment **for a limited time** at the highest plan benefits level. TOC coverage applies to the following types of providers: individual practitioners, medical groups, independent practice associations, acute care hospitals, or institutions licensed in California to deliver or furnish health care services. Examples of individual practitioners include doctors, psychiatrists, licensed therapists and qualified autism service providers, professionals or paraprofessionals.

Q. What is an active course of treatment?

A. An active course of treatment means you have been receiving services from your doctor to correct or treat a diagnosed condition. The start date is the first date of service or treatment. An active course of treatment covers a certain number of services or period of treatment for special situations. Some active course of treatment examples may include but are not limited to:

- Pregnancy is the three trimesters of pregnancy and the immediate postpartum period.
 - Maternal mental health condition means a mental health condition that can impact a woman during pregnancy, peri or postpartum, or that arises during pregnancy, in the peri or postpartum period, up to one year after delivery.
 - An individual who presents written documentation of being diagnosed with a maternal mental health condition from the individual's treating health care provider, **completion of covered services for the maternal mental health condition shall be provided 12 months from the diagnosis or from the end of pregnancy, whichever occurs later.**
- An acute condition that involves the sudden onset of symptoms due to an illness, injury, acute, serious mental illness or other medical problem that requires prompt medical attention and that has a limited duration. Completion of covered services will be provided for the duration of the acute condition.
- Previously scheduled surgery or other procedure as part of a documented course of treatment. The documentation must show that the provider recommends to occur within 180 days of the provider's contract termination date or within 180 days of the effective date of a newly covered enrollee.
 - Need more than one surgery
 - Have recently had surgery
- A terminal illness that is an incurable or irreversible condition and has a high probability of causing death within one year or less. Completion of covered services will be provided for the duration of the terminal illness.
- An on-going or disabling medical condition or serious or chronic mental illness due to a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure, worsens over an extended period of time, or requires ongoing treatment to maintain remission or prevent deterioration. Completion of covered services will be provided for a period of time necessary to complete the course of treatment and to arrange for a safe transfer to another provider, as determined by the health plan, in consultation with the member, the nonparticipating or terminated provider, and consistent with good professional practice. Coverage will not exceed 12 months from the contract termination date or 12 months from the effective date of a newly covered enrollee.
- Are in an ongoing treatment plan such as chemotherapy or radiation therapy
- Any services related to the care of a child ages 0-36 months up to 12 months from the provider's contract termination date or 12 months from the effective date of coverage for a newly covered enrollee.
- May need or have an organ or bone marrow transplant

Q. What other types of providers, besides doctors, can be considered for TOC coverage?

A. TOC coverage may also apply to physical therapists, occupational therapists, speech therapists, and agencies that provide skilled home care services such as visiting nurses. Providers considered for transition coverage may vary by condition, as described above, in accordance with California law. California TOC coverage does not apply to durable medical equipment (DME) vendors or pharmaceutical items.

Q. What other types of providers, besides doctors, can be considered for TOC coverage?

A. TOC coverage may also apply to physical therapists, occupational therapists, speech therapists, and agencies that provide skilled home care services such as visiting nurses. Providers considered for transition coverage may vary by condition, as described above, in accordance with California law. California TOC coverage does not apply to durable medical equipment (DME) vendors or pharmaceutical items.

Q. If I am currently receiving treatment from my doctor, why wouldn't you approve my request for California TOC coverage?

A. If you're currently receiving treatment, the procedure or service must be a covered benefit. Your doctor must also agree to accept the terms outlined in the TOC request form.

Q. My PCP is no longer a participating provider. If my plan requires me to select a PCP, can I still see my doctor?

A. If you're currently receiving treatment (as described above), you may still be able to visit your PCP, even if he/she leaves the network. If not, you may need to select a PCP in the health plan's network. Talk to your PCP so that he/she can help you with your future health care needs.

Q. How do I sign up for TOC coverage?

A. Contact the Member Services number on your member ID Card. You must submit a TOC request form to the health plan:

- Within 90 days of when you enroll or re-enroll
- Within 90 days of the date the health care provider left the Aetna network
- Within 90 days of a doctor's network status change

You or your doctor can send in the request form

Q. How will I know if my request for TOC coverage is approved?

A. You will receive a letter by U.S. mail. The letter will say whether or not you are approved.

Q. Does TOC coverage apply if my plan does not have a provider network?

A. No.

Q. What if I have an Aexcel or plan sponsor specific network plan?

A. If we approve your TOC coverage, you may still receive care at the highest benefits level for a certain time period. If you continue treatment with this doctor after the approved time period, your coverage would be limited to what your plan allows. This means you may have reduced benefits or no benefits.

Q. What if I have more questions about TOC coverage?

A. Call the Member Services phone number on your ID card. If you have questions about TOC mental health services, you can call the Member Services phone number on your ID card or, if listed, the mental health or behavioral health phone number.
