CVS Specialty®

Focus on you

You'll always have the specialty medicine and supplies you need with CVS Specialty. We also offer personalized support every step of the way. And make it easy to manage your medicines. We handle them with special care and convenient delivery. So you can spend time on what matters most to you.

Coverage of your specialty medicine

Your pharmacy plan covers some drugs, and your medical plan covers others. Depending on your plan, you may need to pay a copayment or coinsurance. And certain drugs require precertification. This just means you need approval from the plan before they'll be covered. Talk with your provider or call us at the number on the back of your member ID card if you have any questions about coverage of your medicine.
